Recreation Agenda Notes

January 6, 2010

I. Old Business.

a) Barre Heritage Festival: The Barre Heritage Festival was discussed last meeting. Have Board members been recruiting members to join the Heritage Committee? What is the status?

Recommendation/ Action: consider what your next steps will be.

b) East Barre playground brick reimbursement: The Committee decided to reimburse Kathy Pelletier a proportion of the cost she incurred for the playground bricks. We are waiting to receive a record of expense from Kathy. Has there been any movement on this?

Recommendation/ Action: For discussion, consider how you would like to wrap this up.

c) Budget considerations:

- East Barre playground landscaping.
- Scoreboard.
- Fencing materials for Upper Websterville and East Barre Playground.
- Field lighting (softball field, change lights and attachment arm).
- Skate park maintenance.
- Programs (i.e. swimming lesson reimbursements, StoryWalk).

What are some initiatives or priorities of the Recreation Board? What would you like to see happen in the next budget cycle? If you could name three areas for improvement what would they be? Come prepared to discuss and make recommendations. Don Gainey should be present at the meeting to offer you some advice.

Recommendation/ Action: Adopt a motion confirming Board of Recreation FY2010-2011 budgetary recommendations.

II. New Business:

a) Meeting arrangement: JP has a course this next semester that will fall on Wednesday. Would you consider changing your meeting night to accommodate JP's course schedule? This arrangement would be temporary.

Recommendation/ Action: Consider a day that would work for the Board and accept or deny this request.
