Linda Rogers  
Yvonne Trepanier  
John P Isabelle  
Tanya Pelletier

Kelly gave an overview of the Grant by Dubois & King and advised is for the purpose of a Neighborhood Playground for Ledge Street . Ron Lyons brought the original Plat Mapp for the layout as well as a Clean Slate showing dimensions of the 1.6 acre parcel for site planning. The walk started at @ 6:10 pm and was found areas of drainage, slopes as well as good areas for development.

Concerns brought by the area residents of parking...possibility of making the route to the playground a walking path. Check out other Right-of-ways from other streets to get to the playground.

Meeting to be held at the Town Municipal office 7/1 at 6pm to discuss the Walk.
