TRAFFIC SAFETY ADVISORY COMMITTEE

January 20, 2010

7:00 P.M.

MINUTES

Members Present:

Dan Newhall, Acting Chairman

Jon VanGuilder

Val Vallerand

Paul White @ 7:15 p.m.

Others Present:

Harry Hinrichsen, Town Engineer

Gerry, Kathy & David Parrott

Kathie Felch

1. Review and approve the Minutes of December 16, 2009

2. Review & Discussion

A. Review sight distances for proposed Parrott two-lot subdivision on Taplin Road.

The DRB asked TSAC to make a recommendation regarding the proposed two lot subdivision on Taplin Road. One of the proposed driveways does not have the required sight distance at the current speed limit. TSAC feels that a combination of lowering the speed limit from 40 – 35 mph, clearing and maintaining the brush along the road by the property owner and installing hidden drive signs may improve this situation. A letter should be sent to invite Taplin Road residents to the next meeting.

On a motion by Paul seconded by Val the committee voted unanimously to hold a public hearing on February 17, 2010, to consider reducing the speed limit from 40 – 35 mph on Taplin Road.

B. Review Sketches of sign location and consider making a recommendation to the Town Manager about the 2008 HRRR Grant.

On a motion by Val seconded by Jon the committee voted unanimously to approve the proposed sign requests on Bride Street, Morrison Road, Graniteville Road, Churchill Road and Websterville Road per the Town Manager's memo of October 23, 2009 with the exception of #7 on Graniteville Road.

3. Adjourn

On a motion by Jon seconded by Paul the committee voted unanimously to adjourn at 9:05 p.m.
